

A person in a dark business suit is seated at a white desk, working on a laptop. A tablet is propped up next to the laptop, displaying a blank white screen. The person's hand is visible, holding a pen over the laptop keyboard. In the background, there is a small vase with pink flowers. The scene is dimly lit, with a dark, semi-transparent overlay on the right side of the image. The text 'Impact of AI Tools on Modern Business Communication' is overlaid on this dark area. A thin horizontal line is positioned below the main title. The text 'Voip Business' is located in the bottom right corner.

Business Communication Tech:

The Art of Intercultural Business Communication Bertha Du-Babcock, Richard D. D. Babcock, 2024-07-25 This book examines intercultural business communication issues and practices from a global and interdisciplinary perspective with an Asian focus which is essential to any contemporary study on business communication. It broadens reader's understanding of language culture and international business and equips them with intercultural business communication tools. The authors incorporate frameworks from business management and communication disciplines. The book comprises three parts. The first six chapters focus on developing theoretical frameworks and application for language culture and international business streams. Chapters 7 and 8 address the link pin communication theories and practices. Link pin is the bilingual communicator standing between primary communicators and relaying messages back and forth in an interactive communication process. Chapter 9 discusses intercultural business communication in the digital age. The book concludes by revisiting and integrating universal theories to move toward global situational theories meeting this ever-changing intercultural environment. Approaching business communication from the individual, organizational, and industry levels, the book's integrated conceptual framework allows readers to progress to more advanced business communication concepts in a staged way. Readers will gain an appreciation of the underlying theories of business communication and practical guidelines to apply the frameworks to meet their own commercial needs. This book is an essential guide for practitioners and researchers in today's global business environment. It also benefits students with majors in intercultural business communication and international business.
