## Daughters And Sons:

**Sons and Daughters** Joe C. De Graft, 1964      **Daughters and Sons** Compton-Burnett Ivy, 1984-12-01 Sabine Ponsonby  
eighty five is determined to keep complete control over her home and the lives of all her family      *Wisdom of Our Fathers*  
Tim Russert, 2006-05-23 What does it really mean to be a good father What did your father tell you that has stayed with you  
throughout your life Was there a lesson from him a story or a moment that helped to make you who you are Is there a special  
memory that makes you smile when you least expect it After the publication of Tim Russert s number one New York Times  
bestseller about his father Big Russ Me he received an avalanche of letters from daughters and sons who wanted to tell him  
about their own fathers most of whom were not superdads or heroes but ordinary men who were remembered and cherished  
for some of their best moments of advice tenderness strength honor discipline and occasional eccentricity Most of these  
daughters and sons were eager to express the gratitude they had carried with them through the years Others wanted to  
share lessons and memories and most important pass them down to their own children This book is for all fathers young or  
old who can learn from the men in these pages how to get it right and to understand that sometimes it is the little gestures  
that can make the big difference for your child For some in this book the appreciation came later than they would have liked  
But as *Wisdom of Our Fathers* reminds us it is never too late to embrace it From the father who coached his daughter in  
sports and life attending every meet game performance and tournament to the daughter who after a fifteen year  
estrangement learned to make peace with her difficult father just before he died to the son who came at last to appreciate  
the silent way his father could show affection *Wisdom of Our Fathers* shares rewarding lessons immeasurable gifts and  
lasting values Heartfelt humorous engaging irresistibly readable and bound to bring back memories of unforgettable  
moments with our own fathers Tim Russert s new book is not only a fitting companion to his own marvelous memoir but also  
a celebration of the positive qualities passed down from generation to generation      **The English Reports: Chancery
