**Journal of popular literature, science and arts** Chambers's journal,1893 **A Jesus Kinda Day** Penny Bellofatto,2021-06-09 A Jesus Kinda Day has been a labor of love since late 2017 A devotional born during a time of recovery for the author Experiencing the loss of her husband was a heartbreaking and traumatic time in her life Through it all she would read her Bible and devotionals But there were so many times she could not read or think and it was more crying out to God After the Lord came for Stephen she was still in a daze but started reading the Bible and devotionals again and this time she would put her thoughts down and started sending them every day by text to family and friends to encourage them She was still struggling with her loss but sending the text and others telling her how helpful the messages were gave her joy in knowing God was using her pain and healing to comfort others As time passed some of those receiving the text said she should seek out a publisher The Lord opened the door and A Jesus Kinda Day was created Her prayer is that this devotional brings you encouragement joy and healing in the Lord May you have A Jesus kinda day every day **A Story of Something**

**God Did** David S. Payne,2025-09-30 All followers of Jesus are on a pilgrimage toward the same destination But while the destination is the same our pilgrimages are markedly diverse Firstly each journey brims with possibilities opportunities joys and successes as well as being fraught with challenges struggles disappointments and losses Secondly it's a faith journey The circumstances of our lives are like a classroom in the Rabbi's school of spiritual growth He is teaching us faith lessons as we learn to follow in his steps Thirdly behind everything in your life is a divine sovereign hand mysteriously and lovingly controlling guiding providing holding helping and protecting you This book presents the story of a pastor and his family God called them to grow a church in a spiritually dark and needy place where the people were influential and affluent It's not meant to be an abnormal or exceptional story but one to which every Jesus follower can relate This is a down to earth account of how God responds to faith and uses pain and adversity to fulfill his purposes in ordinary and extraordinary ways
