**Getting Back to Eden** Randy Veal,2021-05-07 The purpose of this book is to let people know that you can have what you say versus you can t have what you don t say In Genesis 1 1 26 when God had said Let there be what He said came to pass The Bible also said in the Gospel of Matthew Let thy will be done in earth as it is in heaven This tells us that God created us in His image and we can speak the same spiritual words He spoke when we speak it by faith This book can tell you that you can have the Garden of Eden in your life heaven on earth This is also the purpose of this title that the Word of God is nigh even in your mouth which is your faith Jesus said that in the Gospel of John that my father and I are one and I speak the word and my Father does the work Believe it or not some churches have gotten away of encouraging the true word of God All God wants is for us to live debt free healed delivered and letting the word do the work When you are in faith you will get back to Eden

Natural Health ,1996 **Back to Eden** Naida M. Parson Ph.D.,2017-07-24 On the sixth day of Creation as God hovered over the man and the woman that He had made in His image and after His likeness He blessed them God uttered five powerful words five blessings five abilities five areas of authority This blessing gave the newly created mankind the capacity for a full and prosperous life Mankind still has that capacity today

In this book is an exciting and dynamic teaching on the original blessing mankind was given in the Garden of Eden. Sin may have complicated the blessings but it did not cancel them out. Especially now that Christ has redeemed us from the curse of sin, we can claim and live out our original blessing. We are to be fruitful and multiply to fill our world to capacity, to subdue it and to have dominion. In this book, the author looks at each blessing in depth in order to increase your faith and your confidence to experience them in your life. Let's go back to Eden and reclaim our original blessing.
