GREATEST YEARS

Called the G.I. Generation or the Greatest Generation (following a book by journalist Tom Brokaw), this generation fought in World War II.

SILENT YEARS

They were children during the Great Depression and World War II. Their label "refers to their conformist and civic instincts," says Pew.

BOOMER YEARS

The boomers were born during a fertility spike after World War II, according to Pew. That spike came to an end with the emergence of the birth control pill in 1964.

X YEARS

This generation was once called "baby bust," Pew says. The new name became popular with the release of author Douglas Coupland's book "Generation X: Tales for an Accelerated Culture."

MILLENNIAL YEARS

An echo of the baby boomer generation, this group is the first to come of age in the new millennium, says the Pew report.
