

# My Uncle's Favorite Coffee Shop

BY NAOMI SHIHAB NYE

Serum of steam rising from the cup,  
what comfort to be known personally by *Barbara*,  
her perfect pouring hand and starched ascot,  
known as the two easy eggs and the single pancake,  
without saying.

What pleasure for an immigrant—  
anything without saying.

My uncle slid into his booth.

*I cannot tell you—how I love this place.*

He drained the water glass, noisily clinking his ice.

My uncle hailed from an iceless region.

He had definite ideas about water drinking.

*I cannot tell you—all the time. But then he'd try.*

My uncle wore a white shirt every day of his life.

He raised his hand against the roaring ocean

and the television full of lies.

He shook his head back and forth

from one country to the other

and his ticket grew longer.

Immigrants had double and nothing all at once.

Immigrants drove the taxis, sold the beer and Cokes.

When he found one note that rang true,

he sang it over and over inside.

*Coffee, honey.*

His eyes roamed the couples at other booths,

their loose banter and casual clothes.

But he never became them.

Uncle who finally left in a bravado moment

*after 23 years, to live in the old country forever,*

*to stay and never come back,*

maybe it would be peaceful now,

maybe for one minute,

*I cannot tell you—how my heart has settled at last.*

But he followed us to the sidewalk

saying, *Take care, Take care,*

as if he could not stand to leave us.

I cannot tell—

how we felt

to learn that the week he arrived,

he died. Or how it is now,

driving his parched streets,

feeling the booth beneath us as we order,

*oh, anything,* because if we don't,

nothing will come.

**Library Partnerships with Writers and Poets** Carol

Smallwood, Vera Gubnitskaia, 2017-03-07 Libraries and writers have always had a close working relationship. Rapid advances in technology have not changed the nontechnical basis of that cooperation: author talks, book signings and readings are as popular as ever as are workshops and festivals. This collection of 29 new essays from nearly 50 contributors from across the United States presents a variety of projects, programs and services to help librarians establish relationships with the literary world, promote literature to the public and foster creativity in their communities.

**Coffee Shop Poems-Another Cup**

Hollis Davis, 2011-09-01 *Coffee Shop Poems Another Cup* is Mr. Davis's fifth book, four of poetry and one of his memoirs. Many of the poems were written in the coffee shop where he sits on Saturday and Sunday mornings. He is not sure but believes his muse also likes coffee. It may seem that some of the poems were written under the influence of a more potent liquid, not so. It is just synapses searching for the right words. The poems are representative of various stages of his life, including memories of accumulated experience with added condiments or seasoning. In some instances, real people may be implied and others are totally fiction. In some poems, the words came first and in others, the feelings started as shadows looking for words.

[The Oxford Handbook of Andrew Marvell](#) Martin Dzelzainis, Edward Holberton, 2019-03-28 The *Oxford Handbook of Andrew Marvell* is the most comprehensive and informative collection of essays ever assembled dealing with the life and writings of the poet and politician Andrew Marvell (1621-78). Like his friend and colleague John Milton, Marvell is now seen as a dominant figure in the literary landscape of the mid-seventeenth century, producing a stunning oeuvre of poetry and prose either side of the Restoration. In the 1640s and 1650s he was the author of hypercanonical lyrics like *To His Coy Mistress* and *The Garden*, as well as three epoch-defining poems about Oliver Cromwell. After 1660 he virtually invented the verse genre of state satire, as well as becoming the most influential prose satirist of the day in the process of forging a long-lived reputation as an incorruptible patriot. Although Marvell himself was an intensely private and self-contained character whose literary, religious and political commitments are notoriously difficult to discern, the interdisciplinary contributions by an array of experts in the fields of seventeenth-century literature, history and politics gathered together in the Handbook constitute a decisive step forward in our understanding of him. They offer a fully rounded account of his life and writings, individual readings of his key works, considerations of his relations with his major contemporaries and surveys of his rich and varied afterlives. Informed by the wealth of editorial and biographical work on Marvell that has been produced in the last twenty years, the volume is both a conspectus of the state of the art in Marvell studies and the springboard for future research.
