Journal of an Unknown Knight Jose Alejandrino, 2015-11-24 *Journal of an Unknown Knight* is Jose B Alejandrino's memoir. It follows his journey from his school days at an English boarding school, his work at UNESCO, his family life in France, his return to Manila following the assassination of Ninoy Aquino, his work at the Manila Chronicle and as Presidential Assistant for Economic Affairs to President Fidel Ramos, to the challenges and spirituality he encountered on his move to Spain. For the first time, he reveals stories about the Fidel Ramos Presidency which he had been asked not to write about during that time. Following an early fascination with the Knights of the Round Table, he describes his life as a journey of a knight who quietly serves other people and along the way he discovers what it truly means to find his Holy Grail. The book details his life as a man who follows his principles selflessly serving the Filipino people and being a man of faith.

The Dionysus Mandate Walker Golding, 2005-08 Violence is growing. Terrorism is no longer something that just happens over there. America's cities and heartland are unrecognizable. Politicians seem unable to find any answer to resentment, rage, and hair-trigger wrath that seems to be enveloping cities and suburbs alike. What is the answer? The Consortium for World Peace is an independent gathering of multinational sponsors and social scientists led by suave Renaissance man Helmut Praetorius. They are working to convince the governments of the world that the Dionysus Mandate will do away with explosive apocalyptic chaos and reestablish peace and harmony and order. The key to Dionysus is the scientific renewal of ancient rituals of blood and sacrifice. Their final goal is to televise the ritual execution of the world's worst criminal on the Dionysus Mechanism before a worldwide audience. Ultimate reality TV. Desperate and excited support builds for Dionysus among hand-wringing special interest groups and governments. No one knows fully the workings of the Consortium, but all agree something must be done. The question is: will the cure for violence and terror be worse than the illness? Will it touch off an even worse conflagration of violence and bloodshed?

With her help, Stern is able to infiltrate deeper into terrorist cells. Their proximity to danger brings them close to each other, and soon Wagner and Stern are in a

romantic relationship Even so Stern has his issues hes an alcoholic While undergoing detox he comes up with a theory terrorists are planning to attack a nuclear plant on Lake Erie Its hard for the FBI to believe these ravings but with further investigation they realize Sterns suspicions are actually true Now Stern and Wagner must prepare for the battle of their lives Wagner keeps Sterns alcohol addiction in check by distracting him with sex Stern stays sober in order to stop a group of madmen set on nuclear destruction
