Alexander Hamilton An Intimate Portrait:

Alexander Hamilton Noemie Emery, 1982 Details the events relationships political battles and scandals that informed Hamilton s life and delineates the forces that motivated his obstinacy idealism and ambition *Alexander Hamilton* Noemie Emery, 1982 *The Intimate Life of Alexander Hamilton* Allan McLane Hamilton, 1911 **Alexander Hamilton: The Formative Years** Michael E. Newton, 2015-07-01 Even though Alexander Hamilton was among the most important Founding Fathers less is known about his early life than that of any other major Founder Relatively few records have been found regarding Hamilton s birth childhood and origins in the West Indies Alexander Hamilton rarely dwelt upon his personal history and never recorded his life s story Most of Hamilton s correspondence prior to 1777 was lost during the American Revolution This has resulted in many gaps in Alexander Hamilton s biography which has given rise to much conjecture regarding the details of his life Relying on new research and extensive analysis of the existing literature Michael E Newton presents a more comprehensive and accurate account of Alexander Hamilton s formative years Despite being orphaned as a young boy and having his birth be the subject of the most humiliating criticism Alexander Hamilton used his intelligence determination and charisma to overcome his questionable origins and desperate situation As a mere child Hamilton went to work for a West Indian mercantile company Within a few short years Hamilton was managing the firm s St Croix operations Gaining the attention of the island s leading men Hamilton was sent to mainland North America for an education where he immediately fell in with the country s leading patriots After using his pen to defend the civil liberties of the Americans against British infringements Hamilton took up arms in the defense of those rights Earning distinction in the campaign of 1776 77 at the head of an artillery company Hamilton attracted the attention of General George Washington who made him his aide de camp Alexander Hamilton was soon writing some of Washington s most important correspondence advising the commander in chief on crucial military and political matters carrying out urgent missions conferring with French allies negotiating with the British and helping Washington manage his spy network As Washington later attested Hamilton had become his principal and most confidential aid After serving the commander in chief for four years Hamilton was given a field command and led the assault on Redoubt Ten at Yorktown the critical engagement in the decisive battle of the War for Independence By the age of just twenty five Alexander Hamilton had proven himself to be one of the most intelligent brave hard working and patriotic Americans Alexander Hamilton *The Formative Years* tells the dramatic story of how this poor immigrant emerged from obscurity and transformed himself into the most remarkable Founding Father In riveting detail Michael E Newton delivers a fresh and fascinating account of Alexander Hamilton s origins youth and indispensable services during the American Revolution *Women of the Constitution* Janice E. McKenney, 2013 *Women of the Constitution* follows in the footsteps of the 1912 work *The Wives of the Signers* which was devoted to biographical sketches of the spouses of the signers of the Declaration of Independence This new publication will be the first work devoted exclusively to brief

biographies of the forty three wives of the signers of the U S Constitution on September 17 1787 Each entry includes vital information where known such as birth parents marriage children and death as well as a footnoted biography with its own bibliography Also provided are illustrations of many of the wives and their homes as well as an appendix describing the now historic residences in which the signers and their spouses resided Hamilton, Adams, Jefferson Darren Staloff,2005 The author compares the intellectual understanding of the Enlightenment of Alexander Hamilton John Adams and Thomas Jefferson and shows how the personal experiences and regional cultural traditions of each man shaped his interpretation of that movement and how those ideals played into the birth of the new nation Alexander Hamilton John Chester Miller,2011-10-01

The Biography Book Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals Hamilton Josh Lehrer,2020-04-07 The photographer Josh Lehrer s up close and personal document of the evolution and revolution that is Hamilton An American Musical Only the second official book Hamilton Portraits of the Revolution invites Hamilfans to experience the award winning show in a brand new and intimate way through more than 100 portraits of the cast including Lin Manuel Miranda Alexander Hamilton Leslie Odom Jr Aaron Burr Daveed Diggs Lafayette Phillipa Soo Eliza Schuyler Hamilton and Ren e Elise Goldsberry Angelica Schuyler along with personal commentary by the cast about Hamilton their experiences and the show s impact on them and the world It includes contributions by creator Lin Manuel Miranda and director Thomas Kail as well as a curated collection of ephemera and original writings from the historical figures who served as the inspiration for their stage characters With book music and lyrics by Miranda direction by Thomas Kail and choreography by Andy Blankenbuehler Hamilton is the story of an immigrant who became George Washington s right hand man and the new nation s first treasury secretary Now with Hamilton streaming on Disney starting on July 3rd the fan base for this musical smash hit will only continue to grow From Broadway Babies to history buffs to anyone who appreciates photography this is the perfect book for the millions who have been moved by and want to reexperience the extraordinary theatrical and musical experience St. James Guide to Biography Paul E. Schellinger,1991 Supplies bibliographical and critical analysis of available biographies in English Alexander Hamilton Ron Chernow,2004 Publisher s description In the first full length biography of Alexander Hamilton in decades National Book Award winner Ron Chernow tells the riveting story of a man who overcame all odds to shape inspire and scandalize the

newborn America According to historian Joseph Ellis Alexander Hamilton is a robust full length portrait in my view the best ever written of the most brilliant charismatic and dangerous founder of them all Few figures in American history have been more hotly debated or more grossly misunderstood than Alexander Hamilton Chernow s biography gives Hamilton his due and sets the record straight deftly illustrating that the political and economic greatness of today s America is the result of Hamilton s countless sacrifices to champion ideas that were often wildly disputed during his time To repudiate his legacy Chernow writes is in many ways to repudiate the modern world Chernow here recounts Hamilton s turbulent life an illegitimate largely self taught orphan from the Caribbean he came out of nowhere to take America by storm rising to become George Washington s aide de camp in the Continental Army coauthoring The Federalist Papers founding the Bank of New York leading the Federalist Party and becoming the first Treasury Secretary of the United States Historians have long told the story of America s birth as the triumph of Jefferson s democratic ideals over the aristocratic intentions of Hamilton Chernow presents an entirely different man whose legendary ambitions were motivated not merely by self interest but by passionate patriotism and a stubborn will to build the foundations of American prosperity and power His is a Hamilton far more human than we ve encountered before from his shame about his birth to his fiery aspirations from his intimate relationships with childhood friends to his titanic feuds with Jefferson Madison Adams Monroe and Burr and from his highly public affair with Maria Reynolds to his loving marriage to his loyal wife Eliza And never before has there been a more vivid account of Hamilton s famous and mysterious death in a duel with Aaron Burr in July of 1804 Chernow s biography is not just a portrait of Hamilton but the story of America s birth seen through its most central figure At a critical time to look back to our roots Alexander Hamilton will remind readers of the purpose of our institutions and our heritage as Americans
