Discourse Modality

Heiko Narrog

Discourse Modality:

Discourse Modality Senko K. Maynard, 1993-04-21 The emotional aspects of language have so far not received the attention they deserve This study focuses on nonpropositional i e expressive and interactional meanings of Japanese signs with special emphasis on understanding their cognitive psychological and social meanings It shows how the Japanese language is richly endowed to express personal voice and emotive nuances and confronts the theoretical issues related to this The author proposes a new theoretical framework for Discourse Modality a primary concern for Japanese speakers to analyze the expressiveness of language *Discourse modality* Senko K. Maynard, 1993 **Modality in Grammar and Discourse** Joan L. Bybee, Suzanne Fleischman, 1995-08-21 This volume brings together a collection of 18 papers that look into the expression of modality in the grammars of natural languages with an emphasis on its manifestations in naturally occurring discourse Though the individual contributions reflect a diversity of languages of synchronic and diachronic foci and of theoretical orientations all within the broad domain of functional linguistics they nonetheless converge around a number of key issues the relationship between mood and modality the delineation of modal categories and their nomenclature the grounding of modality in interactive discourse the elusive category irrealis and the relationship of modal notions and categories to other categories of grammar **Usage-based Approaches to Japanese Grammar** Kaori Kabata, Tsuyoshi Ono, 2014-06-15 This volume brings together papers that take usage based approaches to study the nature of human language with a focus on the grammar of Japanese The 12 chapters provide a rich array of data and methodologies with topics ranging from phonology modality and grammatical morphemes to sentential construction and discourse level phenomena such as turn taking speech register and language change As a whole they demonstrate that usage based linguistics illuminates various phenomena in the language that could not have been well accounted for by resorting solely to a formal theory such as the Universal Grammar based approach Reflecting theoretical methodological and technological advancements made in and outside the field of cognitive functional linguistics in recent years the papers contained in this volume both individually and collectively have significant implications towards linguistics in general and Japanese linguistics in particular as we as Japanese language teaching **Handbook of Japanese Syntax** Masayoshi Shibatani, Shigeru Miyagawa, Hisashi Noda, 2017-10-23 Studies of Japanese syntax have played a central role in the long history of Japanese linguistics spanning more than 250 years in Japan and abroad More recently Japanese has been among the languages most intensely studied within modern linguistic theories such as Generative Grammar and Cognitive Functional Linguistics over the past fifty years This volume presents a comprehensive survey of Japanese syntax from these three research strands namely studies based on the traditional research methods developed in Japan those from broader functional perspectives and those couched in the generative linguistics framework The twenty four studies contained in this volume are characterized by a detailed analysis of a grammatical phenomenon with broader implications to general linguistics making the volume

attractive to both specialists of Japanese and those interested in learning about the impact of Japanese syntax to the general study of language Each chapter is authored by a leading authority on the topic Broad issues covered include sentence types declarative imperative etc and their interactions with grammatical verbal categories modality polarity politeness etc grammatical relations topic subject etc transitivity nominalizations grammaticalization word order subject scrambling numeral quantifier configurationality case marking ga no conversion morphology and syntax modification adjectives relative clause and structure and interpretation modality negation prosody ellipsis Chapter titles Introduction Chapter 1 Basic structures of sentences and grammatical categories Yoshio Nitta Kansai University of Foreign Studies Chapter 2 Transitivity Wesley Jacobsen Harvard University Chapter 3 Topic and subject Takashi Masuoka Kobe City University of Foreign Studies Chapter 4 Toritate Focusing and defocusing of words phrases and clauses Hisashi Noda National Institute for Japanese Language and Linguistics Chapter 5 The layered structure of the sentence Isao Iori Hitotsubashi University Chapter 6 Functional syntax Ken Ichi Takami Gakushuin University and Susumu Kuno Harvard University Chapter 7 Locative alternation Seizi Iwata Osaka City University Chapter 8 Nominalizations Masayoshi Shibatani Rice University Chapter 9 The morphosyntax of grammaticalization Heiko Narrog Tohoku University Chapter 10 Modality Nobuko Hasegawa Kanda University of International Studies Chapter 11 The passive voice Tomoko Ishizuka Tama University Chapter 12 Case marking Hideki Kishimoto Kobe University Chapter 13 Interfacing syntax with sounds and meanings Yoshihisa Kitagawa Indiana University Chapter 14 Subject Masatoshi Koizumi Tohoku University Chapter 15 Numeral quantifiers Shigeru Miyagawa MIT Chapter 16 Relative clauses Yoichi Miyamoto Osaka University Chapter 17 Expressions that contain negation Nobuaki Nishioka Kyushu University Chapter 18 Ga No conversion Masao Ochi Osaka University Chapter 19 Ellipsis Mamoru Saito Nanzan University Chapter 20 Syntax and argument structure Natsuko Tsujimura Indiana University Chapter 21 Attributive modification Akira Watanabe University of Tokyo Chapter 22 Scrambling Noriko Yoshimura Shizuoka Prefectural University

From Ælfric to the New York Times Udo Fries, Viviane Müller, Peter Schneider, 1997 The twenty papers of this volume published to honour Gunnel Tottie are of interest to everyone concerned with the study of the English language The collection is a convincing argument for an approach to language studies based on the analysis of computerized corpora Though this is not an introduction to the field but a series of highly specialized studies readers get a good overview of the work being done at present in English computer corpus studies English corpus linguistics though basically concerned with the study of varieties of English goes far beyond the simple ordering and counting of large numbers of examples but is deeply concerned with linguistic theory based on real language data The volume includes sections on corpora of written and spoken present day English historical corpora contrastive corpora and on the application of corpus studies to teaching purposes

Mood Paul Portner, 2018 This book presents the essential background for understanding semantic theories of both verbal mood and sentence mood Paul Portner evaluates and compares the theories draws connections between seemingly disparate

approaches and highlights the most significant insights in the literature to provide a clearer understanding of how mood works

The Interaction of Discourse Modality and User Expectations in Human-computer Dialog Jussi Karlgren,1992

Japanese Modality Mayumi Yuki Johnson,1994

Modality in Argumentation Andrea Rocci,2017-03-08 This book addresses two related questions that have first arisen in Toulmin's seminal book on the uses of argument. The first question is the one of the relationship between the semantic analysis of modality and the structure of arguments. The second question is the one of the distinctive place or role of modality in the fundamental structure of arguments. These two questions concern how modality as a semantic category relates to the fundamental structure of arguments. The book addresses modality and argumentation also according to another perspective by looking at how different linguistic modal expressions may be taken as argumentative indicators. It explores the role of modal expressions as argumentative indicators by using the Italian modal system as a case study. At the same time it uses predictions/forecasts in the business/financial daily press to investigate the relation between modality and the context of argumentation.

The Expression of Modality William Frawley,2008-08-22 This book covers the essentials of modality and offers both foundational ideas and cutting edge advances. The book consists of what are essentially tutorials on modality and modal notions covering definitions of modality, morphosyntactic form, conceptual and logical semantics, historical development and acquisition. There are also specific chapters on modality in Zapotec and American Sign Language which show the range of forms that modal notions can take. To assist its tutorial function, the book closes with a comprehensive conceptual outline of all the chapters.

Key features: new series textbook covers the essentials of modality

Modality, Subjectivity, and Semantic Change Heiko Narrog,2012-07-19 This book is a cross-linguistic exploration of semantic and functional change in modal markers. With a focus on Japanese and to a lesser extent Chinese, the book is a countercheck to hypotheses built on the Indo-European languages. It also contains numerous illustrations from other languages.

Language Sciences,1997

Thinking Modally Elena Domínguez, CARMEN MAÍZ, Juan Rafael Zamorano-Mansilla,2015-10-28 This volume brings together a selection of the papers presented at the 4th International Conference on Modality in English held in Madrid on 9-11 September 2010. The book is divided into two parts with the first encompassing contributions focusing on the notions of modality, evidentiality and temporality and the second those that explore modality and its connection with stance and evaluation in specific genres and discourse domains.

Pragmatics,2008

Modes of Modality Elisabeth Leiss, Werner Abraham,2014-01-15 The volume aims at a universal definition of modality or illocutionary speaker's perspective force that is strong enough to capture the entire range of different subtypes and varieties of modalities in different languages. The central idea is that modality is all pervasive in language. This perspective on modality allows for the integration of covert modality as well as peripheral instances of modality in neglected domains such as the modality of insufficiency of attitudinality or neglected domains such as modality and illocutionary force in finite vs nonfinite and factive vs non-factive subordinated

clauses In most languages modality encompasses modal verbs both in their root and epistemic meanings at least where these languages have the principled distribution between root and epistemic modality in the first place which is one fundamentally restricted in its strict qualitative and quantitative sense to the Germanic languages In addition this volume discusses one other intricate and partially highly mysterious class of modality triggers modal particles as they are sported in the Germanic languages except for English It is argued in the contributions and the languages discussed in this volume how modal verbs and adverbials next to modal particles are expressed how they are interlinked with contextual factors such as aspect definiteness person verbal factivity and assertivity as opposed to other attitudinal types An essential concept used and argued for is perspectivization a sub concept of possible world semantics Language groups covered in detail and compared are Slavic Germanic and South East Asian The volume will interest researchers in theoretical and applied linguistics typology the semantics pragmatics interface and language philosophy as it is part of a larger project developing an alternative approach to Universal Grammar that is compatible with functionalist approaches

□□□□ ,2015-04 *Linguistics and Language Behavior Abstracts* ,1999 Text ,1993 TEXT is a forum for interdisciplinary research on all aspects of discourse e g the situational and historical nature of text production the cognitive and sociocultural processes of language practice participant based structures of negotiation and linguistic selection It aims to challenge through critique and debate the tenets of discourse research across disciplinary boundaries both in terms of theoretical output and practical outcomes to encourage dissemination of scholarly work in under represented domains e g communication science artificial intelligence forensic linguistics rhetoric and composition stylistics narratives institutional ethnography sociology of science to remain independent of any individual or group ideology while encouraging in equal measure the use of discourse to challenge discourse orthodoxy

Proceedings of the Fifth Nordic Conference for English Studies Julian Meldon D'Arcy,1993 This volume includes 36 papers by an international selection of scholars which were presented at the 5th Nordic Conference for English Studies held in Reykjavik August 7 8 1992 Topics covered include linguistics English as a foreign language sociolinguistics historical linguistics English literature and Canadian literature

Reviewing **Discourse Modality**: Unlocking the Spellbinding Force of Linguistics

Discourse Modality Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Discourse Modality PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Discourse Modality PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Discourse Modality free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Discourse Modality Books

1. Where can I buy Discourse Modality books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Discourse Modality book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Discourse Modality books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

-
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are Discourse Modality audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Discourse Modality books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
