Our Dumb Animals, 1926 *Animals*, 1911 **Pet Care Givers and Families** Robert Berkelhammer, 2015-09-03 Most pet owners want the best for their cherished friends. Sometimes however the nature of those relationships can be upended and getting back on track can be confusing and difficult. Here Robert Berkelhammer provides an overview of what constitutes healthy pet family relationships and how pet parents can access services that will help facilitate better communication behavior and all around care. He outlines the kinds of work pet care companies can offer and guides readers to getting the best possible level of professional caretaking to achieve behavioral changes in their pets. Dog playgroups, dog walking, pet sitting and other services are described in terms of how families can work with providers to accommodate their animal and family needs. Focused mostly on dogs, the book does also address the needs of and services available to cats and birds.
