An Irish Camera:

An Irish Camera George Morrison,1979 **James Joyce and the Irish Revolution** Luke Gibbons,2023-05-08 A provocative history of Ulysses and the Easter Rising as harbingers of decolonization When revolutionaries seized Dublin during the 1916 Easter Rising they looked back to unrequited pasts to point the way toward radical futures transforming the Celtic Twilight into the electric light of modern Dublin in James Joyce s Ulysses For Luke Gibbons the short lived rebellion converted the Irish renaissance into the beginning of a global decolonial movement James Joyce and the Irish Revolution maps connections between modernists and radicals tracing not only Joyce s projection of Ireland onto the world stage but also how revolutionary leaders like Ernie O Malley turned to Ulysses to make sense of their shattered worlds Coinciding with the centenary of both Ulysses and Irish independence this book challenges received narratives about the rebellion and the novel that left Ireland changed changed utterly **Camera** ,1928 **The Journal of the Anthropological Institute of Great Britain and Ireland** ,1893 Includes articles on issues of worldwide anthropological interest *The Amateur Photographer and Photographic News* Charles W. Cavallero,2011-05-01 Hollywood s Italian American Filmmakers explores the different ways in which Italian American directors from the 1920s to the present have responded to their ethnicity While some directors have used film to declare their ethnic roots and create an Italian American imagined community others have ignored or even denied their background Jonathan J Cavallero examines the films of Frank Capra Martin Scorsese Nancy Savoca Francis Ford Coppola and Quentin Tarantino with a focus on what the films reveal about each director s view on Italian American identities Whereas Capra s films highlight similarities between immigrant characters and WASP Americans Scorsese accepts his ethnic heritage but also sees it as confining Similarly many of Coppola s films provide a nostalgic treatment of Italian American identity but with little criticism of the culture s more negative aspects And while Savoca s movies reveal her artful ability to recognize how ethnic gender and class identities overlap Tarantino s films exhibit a playfully postmodern engagement with Italian American ethnicity Cavallero s exploration of the films of Capra Scorsese Savoca Coppola and Tarantino demonstrates how immigrant Italians fought prejudice how later generations positioned themselves in relation to their predecessors and how the American cinema usually seen as a cultural institution that works to assimilate has also served as a forum where assimilation was resisted *The American Amateur Photographer* ,1893 *The Yearbook of the Scientific and Learned Societies of Great Britain and Ireland*
