Landor's Cleanness Adam Charles Roberts,2014 Cleanness both in the sense of a neoclassical stylistic purity and of an individual moral and political probity was centrally important to Walter Savage Landor's writing both in his prose and poetry At the same time this commitment to purity was contaminated in a variety of eloquent and complicating uncleannesses his own fiery temper and frequent rages his sometimes scurrilous and sexually explicit Latin poems and the innovative compacted proto-Modernist verse style of works such as his epic Gebir as stylistically tangled and potent a poem ever produced in the Romantic era The present study the first comprehensive study of Landor's writing for nearly half a century

addresses the whole of Landor's prodigious output over the seven decades of his writing life in verse prose and drama in English and Latin from the brief lyrics by which if at all he is remembered today up to his idylls tragedies and epics from his pamphlets and essays to historical novels like *Pericles* and *Aspasia* and the textual colossus of the *Imaginary Conversations*. Cleanthous becomes the organising principle by which this heterogeneous and multivocal body of work is read. At once a survey of Landor's output and life a critically engaged reading of his work and an interrogation of the principles of poetry itself Landor's Cleanthous seeks to reconfigure the map of Romantic and Victorian writing and move Landor's reputation at least some way in the direction of the eminence he once enjoyed as a major writer of his time both intensely characteristic of the nineteenth century and startlingly relevant to the twenty first.
