creative impulse often if not always that mushrooms on tender feelings of melancholy Blue Moon is one such impulse that  
found its voice in the suffering of separation It is inspired by the real life story of Alice and Solomon two strangers who met  
only to part and never meet again The book portrays the passionate journey of Alice through varied human emotions from  
fantasizing to the acceptance of truth Navigating through the sentiments of Alice the poet also finds her long lost words  
which transforms themselves into poetic verses The poems are the silent resonances that open a door to the phenomenal and  
the sublime emotions that are truly universal Blue Moon Books Blue Moon Books (N.Z.),2003\* *Printed Salesmanship*
