Cold Heart:

A LONELY NIGHT ESTAZABUL SUZAN,2021-01-15 People never want to be alone but sometimes loneliness shows people the right way It introduces us to the purpose for which we have come into this world At the end of the day we are all alone I have come alone I will go alone It is said to meet the right path and to continue on that path at the end of this life And finally to know oneself while walking on this path When we truly know ourselves then we know everything This is the core message of this poetry book

Country Music Dayton Duncan,Ken Burns,2019-09-10 A gorgeously illustrated and hugely entertaining story of America s most popular music and the singers and songwriters who captivated entertained and consoled listeners throughout the twentieth century based on the eight part film series This fascinating history begins where country music itself emerged the American South where people sang to themselves and to their families at home and in church and where they danced to fiddle tunes on Saturday nights With the birth of radio in the 1920s the songs moved from small towns mountain hollers and the wide open West to become the music of an entire nation a diverse range of sounds and styles from honky tonk to gospel to bluegrass to rockabilly leading up through the decades to the music s massive commercial success today But above all Country Music is the story of the musicians Here is Hank Williams s tragic honky tonk life Dolly Parton rising to fame from a dirt poor childhood and Loretta Lynn turning her experiences into songs that spoke to women everywhere Here too are interviews with the genre s biggest stars including the likes of Merle Haggard to Garth Brooks to Rosanne Cash Rife with rare photographs and endlessly fascinating anecdotes the stories in this sweeping yet intimate history will captivate longtime country fans and introduce new listeners to an extraordinary body of music that lies at the very center of the American experience

I Saw the Light Colin Escott,George Merritt,William MacEwen,2015-11-10 The biography of the iconic American country music singer songwriter that inspired the major motion picture I Saw the Light Fast and interesting reading An impressive book Probably the definitive word on Hank William s life Boston Globe In his brief life Hank Williams created one of the defining bodies of American music Songs such as Your Cheatin Heart Hey Good Lookin and Jambalaya sold millions of records and became the model for virtually all country music that followed But by the time of his death at age twenty nine Williams had drunk and drugged and philandered his way through two messy marriages and out of his headline spot on the Grand Ole Opry Even though he was country music s top seller toward the end he was so famously unreliable that he was lucky to get a booking in a beer hall Colin Escott s enthralling definitive biograph now the basis of the major motion picture I Saw the Light vividly details the singer s stunning rise and his spectacular decline revealing much that was previously unknown or hidden about the life of this country music legend Originally published as Hank Williams The Biography Our best look yet into Hank Williams s pained piercing eyes Escott has peeled away the layers of legend Philadelphia Inquirer Deftly written and researched Colin Escott is Hank Williams s latest and best biographer Newsweek **Billboard** ,1951-11-17 In its 114th year Billboard remains the world s premier weekly music publication and a diverse
