N. T. Free Life Or Your Money Back* John O'Brien,2012-04-22 This book is presented as a coaching guide to explain how your author s more than fifty year personal struggle to find the Holy Grail of personal development emotional health and a happier life has come true as it will for you Neuroplasticity Medical research in this relatively new field of study has only recently discovered that we can literally physically alter the neuro pathways in our brains and change our life long negative thinking habits Thinkiatry s A N T extermination principles and process are now a valid medical research supported self therapy and coaching objective process millions can discover and use to alter the emotional landscape of their lives for the better forever A N T Automatic Negative Thinking is something all of us do every day yet almost all of us are totally and as you will soon learn tragically unaware of how this centuries old life long human habit controls our emotional well being physical health and the quality of each individual s day to day life On a broader scale human ANT colonies like snowflakes are unique dramatically and collectively influencing world politics governments economies religions and the quality of life for billions of people around the world Based upon the preceding statements only briefly introducing the importance of ANTS to billions of lives most would logically expect that they would be a universal core subject of study and discussion for young and old alike in schools universities media commentary and daily human interaction throughout the world However the odds are about 99% that you have never

heard of an ANT without more than two legs to walk on To your author s knowledge after more than fifty years of personal emotional struggle research and study we have for centuries ignored our ANTS as nothing more than a function of being alive just like our breathing heartbeat and other bodily functions It s just the way life is It s not anymore The following is merely a partial list of emotional conditions that can be self treated and significantly reduced or in some cases eliminated as we learn to use Thinkiatry s Principles and Process to exterminate our individually unique ANT Colonies to experience lasting emotional health and happiness in our lives Divorce Weight problems Stress Anxiety Addictions Anger Sadness Hatred Obesity Jealousy Insecurity Bullying Loneliness Arrogance Hypocrisy Fear Become a Thinkiatrist and join the happiest emotionally healthy people on earth
