Nigeria's Aborted 3rd Republic and the June 12 Debacle: Reporters' Account Deba Uwadiae, Emeka Nwosu PhD, Segun Olanipekun PhD, Abiodun Adeniyi PhD, 2022-03-31 Let's be clear Nigeria's Aborted 3rd Republic and The June 12 Debacle Reporters Account is by no means a definitive account of the controversial transition to civil rule programme of General Babangida or for that matter that of the annulled June 12 presidential election But it is a fascinating collection that reminds us about the forces that shaped the past and may be responsible for Nigeria's present dilemma

The Third Republic Raymond Recouly, 1928

The Third Republic from Its Origins to the Great War, 1871-1914 Jean-Marie Mayeur, Madeleine Rebiroux, 1984 This book provides a detailed account of French history from the origins of the Third Republic born out of the collapse of Napoleon III's Second Empire to the coming of the Great War in 1914 Part 1 begins with the fall of the notables and the victory of the republicans Then follows a picture of the economy and society of late nineteenth century France and an examination of spiritual and cultural development under the increasing threat from nationalist and socialist forces The moderate brief ascendancy at the end of the century followed by the extreme sentiments unleashed at the time of the Dreyfus affair brings the story in Part 2 to a more passionately political period when the republic finally became established as a bulwark of bourgeois prosperity witnessing the rise of the banks and big business and the dangerous revival of colonial expansion

Debating the Woman Question in the French Third Republic, 1870-1920 Karen Offen, 2018-01-11 Karen Offen offers a magisterial reconstruction and analysis of the debates around relations between women and men how they are constructed and how they should be organized that raged in France and its French speaking neighbors from 1870 to 1920 The woman question encompassed subjects from maternity and childbirth and the upbringing and education of girls to marriage practices and property law the organization of households the distribution of work inside and outside the household intimate sexual relations religious beliefs and moral concerns government sanctioned prostitution economic and political citizenship and the politics of population growth The book shows how the expansion of economic opportunities for women and the drop in the birth rate further exacerbated the debates over their status roles and possibilities With the onset of the First World War these debates were temporarily placed on hold but they would be revived by 1916 and gain momentum during France's post-war recovery

There Was Another Country W. Forje, 2021-08-11 In this comprehensive well-reasoned critical richly documented and boldly argued account on the

Anglophone Southern Cameroons Ambazonia crisis John Forje a foremost scholar of identity politics in Cameroon offers insightful explorations and explanations of histories and cultures of telling truth to power that have come to be associated with the people of the English speaking region of Cameroon The book offers realistic perspectives for the reinstatement of justice equality and democratic governance in a country of plenty but lavishing in endemic underdevelopment Forje argues among other things that the current Anglophone crisis is the exhibition of one reality that more than half a century after independence and unification most Cameroonians are grossly disillusioned with their leaders The country has had only two presidents since independence Ahmadou Ahidjo and Paul Biya with the latter occupying the presidency for 40 years since 1982 and counting If something concrete is not undertaken now the cleavages of division would widen to a dangerous end Dark clouds hang over the future of the country Uncertainty about national unity and stability is hardly a solid foundation for a country aspiring to be an emerging polity by 2035 There is an urgent need for a broader dimension of political dispensation in Cameroon The book calls for proper soul searching critical analysis and a new comprehensive and visionary mindset to build a new country out of the ashes of the existing crumbling or failed polity The need to re rail Cameroon on the democratic train and on the path of sustainable development cannot be overemphasized
