### 3rd Greatest Fighter Pilot The:

*The 3rd Greatest Fighter Pilot* William T. Creech, 2005 This Book is a story of the life and times of a professional Fighter pilot Where did he come from What are the early life experiences that effected his abilities and capabilities to be a Great Fighter Pilot What characteristics of a person and his experiences are important in becoming a leader of men and of becoming a superb fighter pilot Why does this fighter pilot relegate himself to being the Third Best Fighter Pilot rather than the first best What is it like to be shot down in the jungles of North Burma alone and with no help toward survival other than his own will And later in that combat tour how does one manage survival in the unending expanse of the Gobi Desert What are the pressures that are forced upon the leader of a combat fighter squadron How does he maintain a high morale in a unit when there are few positive factors available to assist How are political pressures dealt with on a day to day basis This book is a MUST READ for any young commander of fighter pilots It s also a great read for those who are just interested in the subject of flying The author s answers to all these questions are studies in perseverance loyalty dedication and intense desire to do what many others would find impossible
