44 Dublin Made Me:

44, Dublin Made Me Peter Sheridan, 1999 Peter Sheridan tells of his life growing up in Dublin during the 1960s

Every Inch of Her Peter Sheridan, 2004-08-31 The sisters at the Good Shepherd Convent in Dublin's North Wall don't quite know what to make of their newest refugee Philo announces herself at their door one Sunday evening with the words God pointed me here A large presence weighing 240 pounds and bearing tattoos on her arm Philo smokes swears and loves to eat She is also a mother of five and in flight from her abusive husband Tommo In no time at all Philo has made herself indispensable At the Senior Daycare Center she gets the old folks talking to one another singing old favorites and playing bingo again And with all the love she's got to give it's only natural that Cap and Dina two people at the Center long separated by a bitter feud come together again By turns comical and tender Peter Sheridan's novel is a beautifully written portrait of an unforgettable woman who touches every life she meets through the sheer force of being herself *An Irish Sanctuary* Gisela Holfter, Horst Dickel, 2016-12-19 The monograph provides the first comprehensive detailed account of German speaking refugees in Ireland 1933-1945 where they came from immigration policy towards them and how their lives turned out in Ireland and afterwards Thanks to unprecedented access to thousands of files of the Irish Department of Justice all still officially closed as well as extensive archive research in Ireland Germany England Austria as well as the US and numerous interviews it is possible for the first time to give an almost complete overview of how many people came how they contributed to Ireland how this fits in with the history of migration to Ireland and what can be learned from it While Exile studies are a well developed research area and have benefited from the work of research centres and archives in Germany Austria Great Britain and the USA Frankfurt M Leipzig Hamburg Berlin Innsbruck Graz Vienna London and SUNY Albany and the Leo Baeck Institutes Ireland was long neglected in this regard Instead of the usual narrative of no one was let in or only a handful came to Ireland the authors identified more than 300 refugees through interviews and intensive research in Irish German and Austrian archives German speaking exiles were the first main group of immigrants that came to the young Irish Free State from 1933 onwards and they had a considerable impact on academic industrial and religious developments in Ireland Everything Irish Lelia Ruckenstein, James O'Malley, 2013-11-20 Here in one complete volume is the depth and breadth of the great island nation and its people represented in an easily browsed friendly format From the Abbey Theatre to the Dublin storyteller Zozimus from the origin of the Troubles to the origin of the limerick from the stunning beauty of Connemara to the shattering tragedy of Bloody Sunday from the greatest writers of the English language to the confrontational television of Gay Byrne's *The Late Late Show* every aspect of Irish culture geography and history is collected and annotated in more than 900 entries from A to Z Readers will encounter heroes and terrorists poets and politicians all of Ireland's counties ancient myths and pivotal events all expertly and succinctly described and explained With entries written by some of the world's leading authorities on Ireland *Everything Irish* is perfect for everyone from the inquiring reader to the

serious student You can spend a few minutes learning about the much maligned Travelers and then move on to the equally contentious in its time medieval title Visit the majestic Cliffs of Moher and then delve into an analysis of paramilitary groups like the Irish Republican Army and the Ulster Volunteer Force Explore the ruins of a Romanesque castle or experience the piercing light of the winter solstice inside prehistoric Newgrange a passage grave older than the pyramids Across centuries and across counties the rich landscape of Irish life and heritage springs to life in these pages An indispensable source of fascinating information and captivating anecdote this is one book that will never be far from the hands of those with curious minds or an adventurous spirit **Narrating Irish Female Development, 1916-2018** Jane Elizabeth

Dougherty,2024-12-31 Narrating Irish Female Development 1916 2018 studies narratives of Irish female and feminized development arguing that these postmodern narratives present Irish female maturation as disordered and often deliberately disorderly The first full length study of the Irish female coming of age story the book develops a feminist psychoanalytic narratology derived from the belated oedipalization of Joyce s bildungsheld to read these stories This study argues that all Irish maturation stories are shaped by the uneven and belated maturation story of the Irish republic itself which took as its avatar the Irish woman whose citizenship in that republic was unrealized as indeed was her citizenship in an Irish republic of letters Dougherty takes the writing of Irish women as seriously as other critics have taken Joyce s work For the Love of Ireland Susan Cahill,2001-02-13 Welcome to the Ireland of its Writers Walk the streets of Dublin with Jonathan Swift James Joyce Samuel Beckett and Roddy Doyle Contemplate the wild glens of Wicklow with John Millington Synge and Seamus Heaney Wander the thrilling Cliffs of Moher with Wallace Stevens Visit antic Limerick with Frank McCourt mysterious Coole Park with Lady Gregory breathtaking Sligo with William Butler Yeats wild Donegal with Brien Friel and hidden Clare with Edna O'Brien No place has inspired more great literature than Ireland which in each new generation gives birth to an astonishing number of poets storytellers and dramatists For the literary pilgrim to arrive book in hand at the pub where Joyce set a scene or the mountain where Yeats imagined a myth is to uncover fresh meaning in the works of writers in love with their native landscape In For the Love of Ireland Susan Cahill offers the jewels of Irish literature Each selection is followed by traveler s advice on how to find and fully experience the place that s about Whether you take this book with you to Ireland or savor it in your armchair you will be enriched ennobled and entertained by writers of remarkable range and at the top of their form **Beckett and Contemporary Irish Writing** Stephen Watt,2009-06-18 This book searches for the Beckettian impulse in Irish literature by tracing Beckett s legacy through a selection of contemporary writers Life Stories

Maureen O'Connor,2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being

told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books
