Get Up With Determination And Fight Dr. Sahadeva Das, 2018-01-01 *Get Up With Determination And Fight* Just like metals and minerals lying deep inside the Earth there are vast resources lying untapped within each of us In man's struggles at achieving any desired object there is in reality no necessity for him to go in quest of external forces to aid him He has within himself vast resources and powers lying untapped or else only partially utilized If he applies his faculties properly and intelligently he can easily attain his desired goal One of the most precious of these resources is determination That's the unmined gold waiting to be tapped Great personalities who perform uncommon feats tap into these latent resources The purpose of this book is to help you do that and light up your soul [No More Dreaded Mondays: Ignite Your Passion--And Other Revolutionary Ways to Discover Your True Calling at Work](#) Dan Miller, 2009-12 *Is Your Job Making You Stupid* Adam Smith author of *The Wealth of Nations* once wrote that a person who spends his life performing the same repetitive tasks generally becomes as stupid and ignorant as it is possible for a human creature to become Wow Now that's not a pretty picture Unfortunately much of our work today consists of those boring repetitive tasks But maybe you're one of the many who have gotten caught up in thinking work is just something you do to support your weekends Work is that necessary evil a means to an end or just a curse from God You probably take your role of providing for yourself and those depending on you seriously But you don't expect to enjoy your work you just do what has to be done Only now you're seeing that even loyalty and dependability bring no guarantees Lately you've seen coworkers who have been let go after years of faithful service Perhaps your entire industry has been shaken by outsourcing or changing technology Maybe you're tired of the long commute and being tied to your desk when you know you could make your own hours and still be productive You may have ideas stirring that you think could create new income and time freedom But here comes another Monday Maybe feeling trapped is just the reality of the way things are Doesn't everyone dread Mondays Doesn't every responsible person just bury their dreams and passions in exchange for getting a paycheck Absolutely not All of us no matter how old we are or what kind of work we're doing can learn to bring the same excitement to our jobs that we bring to whatever we love to do on our days off I believe that each one of us can pursue work that is a reflection of our best selves a true fulfillment of our callings No More Mondays will show you that meaningful work really is within your grasp And once you've opened the door and seen all the exciting career opportunities that await you whether you decide to revolutionize your current job or launch a new career altogether you'll find you can't go back to the old way of working From *No More Mondays* For everyone who dreads going to

work on Monday mornings inspiring advice on how to find fulfilling work in an uncertain age Do you hate Mondays If so what s keeping you at your current job If you said a steady paycheck and the promise of a secure retirement then you re in for a big disappointment In today s volatile economy there is nothing safe about punching the clock for a job you hate As beloved talk show host and bestselling author Dan Miller reveals the only way to find true security is by following your calling and then finding or creating work that matches that calling and passion No More Mondays s practical inspirational advice speaks to people looking for guidance on how to launch a new career or business those who want to stay in their current jobs and give the old 9 to 5 model a twenty first century makeover and managers desperate to understand the way people want to work today For all of them Dan Miller s message is loud and clear If you re one of those people who dread going to work on Mondays do something about it *No More Mondays* Dan Miller,2008-01-15 Career expert Miller shows Christians how to take full advantage of the accelerating pace of change in the workplace This resource equips readers with the direction and inspiration they need to reorient their work from grudging duty to fulfilling lifelong calling [Book Review Index](#) ,2006 Every 3rd issue is a quarterly cumulation *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 **The Safe Sites Internet Yellow Pages 2000-2001** Thomas Nelson Publishers,2000 Information on a variety of websites for the entire family Featuring the Top 500 sites from the Best of the Christian Web **America Online?
