4 Desperate Days:

4 Desperate Days: Original Title Three by Mistake Richard Parker, 1975 **Facing Your Giants Study Guide** Max Lucado, 2006-11-19 Learn how you can face and defeat your giants just like King David did How long has your Goliath dominated your days and pilfered your peace Like David you know well the presence of Goliath Your Goliath doesn't carry a sword or shield he brandishes blades of unemployment abandonment or depression Your giant doesn't parade up and down ancient hills he prances through your office your bedroom your classroom He brings bills you can't pay addictions you can't resist a past you can't shake and a future you can't face How long has your Goliath stalked you Invaded your first thought of the morning and last worry of the night David knows a little something about facing giants The shepherd boy seemingly had little to offer against the nine foot nine inch Goliath You could read his story and wonder what God saw in him Throughout his life David fell as often as he stood stumbled as often as he conquered But for those who know the threat of a Goliath David gives this reminder Focus on Giants You Stumble Focus on God Your Giants Tumble The Facing Your Giants Study Guide will teach you to look past your problem toward the solution Based on the life of David this study guide is guaranteed to provide inspiration to succeed against even the most threatening difficulty Are you ready to face your giant Let David's story inspire you The same God who helped him will help you *Facing Your Giants* Max Lucado, 2020-04-07 Learn how you can face and defeat your giants just like King David did How long has your Goliath dominated your days and pilfered your peace Like David you know well the presence of Goliath Your Goliath doesn't carry a sword or shield he brandishes blades of unemployment abandonment or depression Your giant doesn't parade up and down ancient hills he prances through your office your bedroom your classroom He brings bills you can't pay addictions you can't resist a past you can't shake and a future you can't face How long has your Goliath stalked you Invaded your first thought of the morning and last worry of the night David knows a little something about facing giants The shepherd boy seemingly had little to offer against the nine foot nine inch Goliath You could read his story and wonder what God saw in him Throughout his life David fell as often as he stood stumbled as often as he conquered But for those who know the threat of a Goliath David gives this reminder Focus on Giants You Stumble Focus on God Your Giants Tumble Are you ready to face your giant Let David's story inspire you The same God who helped him will help you Extended study guide included *1915* Lyn Macdonald, 2014-09-09 Lyn Macdonald's *1915* The Death of Innocence is a uniquely compelling blend of military history and poignant memories of the fighters who survived the ordeal By Christmas 1915 the wild wave of enthusiasm that had sent men flocking to join up a few months earlier had begun to tail off and though the Regulars of the original Expeditionary Force had suffered 90 percent casualties most particularly the soldiers themselves still believed that 1915 would see the breaking of the deadlock Their hopes were shattered on the bloody battlefields at Neuve Chapelle at Ypres at Loos and far away on the shores of Gallipoli Generals failed to understand the importance of heavy howitzers and machine guns convinced that wars were won by the cavalry They

could not imagine a war in which hundreds of advancing troops could be wiped out in minutes by machine gun fire As disillusionment began to set in and grim resolve replaced easy optimism innocence was among the casualties in the trenches that ran through the Flanders swamps The story of 1915 is stark brutal frank sometimes painfully funny always human Above all it is history from the ground up told from the point of view of the men themselves Never before has any writer collected so many firsthand accounts of the experiences of ordinary soldiers through diaries letters and interviews with survivors and it is the dogged heroism and sardonic humor of the soldiers that shine through the pages of Lyn Macdonald s epic narrative
