this But the finish project says something very much opposite that s why all the more I complete the bigger space in my heart I got for this book It s a book about the tragedy surrounding the September 11 2001 attack in our own country I collected so much needed information pertaining to the terrorist attack September 11 2001 There is not anything like this But you will find quite a few on the topic but it won t all be in one book And the little children won t be able to under stand what is going on in their world My book contains most wanted names of the victims that lost their lives Faith much more information is in the book of about 500 pages That leads me to the title of the book Never Forget secondary title Always Remember I know that you will just love this book What a special treasure to have in remembrance of the September 11 2001 a book full of colorful bright pages I can honesty tell you that I have completed what I set out to do Over the last four in a half years I ve been dedicated to this project that I ve felt I needed to complete not only for me but for many other people just like me out in the World The more I completed the stronger the urges were for me to share this project with as many people as I could touch in one way or another I wanted as many as possible to review this book maybe give a good or even bad review So they can have the knowledge of why we re at war and secondly and most importantly that all those affected by the tragedy that their names will not go in vain or never be forgotten I know there are hundreds of thousands of people out in our world who feel the same as I ve felt since that tragic day back on September 11 2001 Therefore I started the book as a scrapbook for my daughters to be able to share with their kids I was inspired by dad whom has done one on WWII but back than there wasn t the acid free paper as there is today He had lost all pages due to that fact I felt so bad that all his hard dedicated work was gone forever My Father whom lost his life 8 months before this event has inspirer me to do this for him and others like him I ve been so dedicated to my work that s pertaining to all those tragic events surrounding Sept 11 2001 will never be forgotten
