## **Blue Planet Sticker:**

The Blue Planet Sticker Book BBC, Scholastic, Inc. Staff, 2002-02-01 This book is a fascinating three dimensional look at the world that exists beneath the earth's oceans from the frozen waters of the Arctic to the coral reefs of the Pacific. Amazing fish, whales and other underwater creatures jump off the page when their photos are viewed through the special glasses that come with the book.

**This Moth Saw Brightness** A. A. Vacharat, 2025-05-27 A weird and revelatory debut that vividly captures the dislocation of growing up BIPOC and neurodivergent in a country awash in both conspiracy theories and genuine conspiracies. The invisible D in my name is my mother's second most lasting contribution to my life. Wayne Le, known as Invisible D, Wayne at school has been invited to participate in a seemingly ordinary, innocuous adolescent health study by a prestigious university. The study has a few nice perks but most important to Wayne is the opportunity to give his immigrant father an accomplishment to be proud of something that's been in short supply since Wayne's mother left. But the study quickly proves to be anything but ordinary and innocuous and Wayne, his best friend Kermit and a fellow study participant named Jane, a girl who shall not be manic pixied, find themselves sucked into an M.C. Escheresque maze of conspiracies that might be entirely in their heads or might truly be a sinister government plot. A New York Public Library Best Book of the Year.

**Forthcoming Books** Rose Arny, 2002-04 *Wisdom Rising* Lama Tsultrim Allione, 2018-05-01 Through her own story of loss and spiritual seeking paired with mandala meditations and rituals, bestselling author of *Feeding Your Demons* Lama Tsultrim Allione teaches you how to embody the enlightened, fierce power of the sacred feminine, the tantric dakini. Ordained as one of the first Western Buddhist nuns and recognized as a reincarnation of a renowned eleventh century Tibetan yogini, Lama Tsultrim nonetheless yearned to become a mother, ultimately renouncing her vows so she could marry and have children. When she subsequently lost a child to SIDS, she found courage again in female Buddhist role models and discovered a way to transform her pain into a path forward. Through Lama Tsultrim's story of loss and spiritual seeking paired with her many years of expertise in mandala meditation, you will learn how to strengthen yourself by following this experiential journey to Tantric Buddhist practice. The mandala was developed as a tool for spiritual transformation and as you harness its power, it can serve as a guide to wholeness. With knowledge of the mandala of the five dakini female Buddhist deities who embody wisdom, you'll understand how to embrace the distinct energies of your own nature. In *Wisdom Rising*, Lama Tsultrim shares from a deep trove of personal experiences as well as decades of sacred knowledge to invite you to explore an ancient yet accessible path to the ability to shift your emotional challenges into empowerment. Her unique perspective on female strength and enlightenment will guide you as you restore your inner spirit, leading you toward the change you aspire to create in the world.
