

Bride Overboard

Benjamin Bateman

Bride Overboard:

Bride Overboard Heather MacAllister, 2011-07-15 Brides on the Run When in doubt jump Blair Thomason was getting married She and her fianc Armand had even chartered a yacht to make the fairy tale wedding complete But when she discovered that Armand was really a clever con man Blair did what any red blooded American woman would do She took the plunge literally into the Gulf of Mexico Luckily for Blair gorgeous but grumpy Drake O Keefe was there to rescue her But she d barely escaped marrying one man and now she was stranded with another And this one had an attitude But he was also the sexiest man she d ever seen Wasn t that just her luck Just when she d given up on matrimony she found herself marooned with the one man who could change her mind Brides on the Run A girl s allowed to change her mind isn t she **Queer**

Disappearance in Modern and Contemporary Fiction Benjamin Bateman, 2023-01-31 Queer Disappearance in Modern and Contemporary Fiction breaks with appearance based models of queer performativity and argues for the experiential richness and political potentials of recessive tendencies in twentieth and twenty first century queer literary production The study theorizes a perish performative that allows for agency in practices of abeyance and it discovers within queerness s ample archive of vanishing acts an environmental ethos antithetical to inflationary versions of the human Tying modernist classics by E M Forster and Willa Cather to Andrew Holleran s gay classic *Dancer from the Dance* and then moving to the contemporary ecogothic of Lydia Millet s *How the Dead Dream* and the trans decadence of Shola von Reinhold s *Lote* the book refuses the common wisdom that queerness becomes louder and prouder over time delineating instead a minimalist and daydreaming subjectivity wherein queerness finds escape respite and varied opportunities for imaginative reverie This precarious subjectivity necessitated but not defined by oppression and obstacle rewards and restores the queer self and it also contests the logics of development acquisition and productivity that wreak havoc on the planet and entrench social disparities of race class and ability Queer Disappearance in Modern and Contemporary Fiction supplies multiple accounts of the collective and personal pleasures possibilities and perils to be found in pulling away going missing and taking a break

The Titanic Disaster Hearings William Alden Smith, 1998-03 Merely a day afterTitanicsurvivors arrived in port in New York City a United States Senate committee began an investigation into the wreck of the great unsinkable ship For the first time in book form here is the dramatic testimony of crew and passengers from all walks of life as they recall the sights and sounds of the night of April 14 1912 From the manners of the day to the conduct fo those boarding the lifeboats from acts of kindness to palpable greed here is an unforgettable portrait of human nature in the face of theTitanictragedy in the words of the men and women who survived J Bruce Ismay British officer of the White Star Line who hopped into a lifeboat to save himself and never looked back to see her go down Second officerCharles Lightoller sharrowing plunge as the sinking ship s force of suction pulled him under water On duty lookoutFrederick Fleet sadmission that the iceberg might have been avoided if the crew had been equipped with binoculars PassengerDaisy Minahan who recalled the refusal of an officer in her lifeboat

to aid those adrift in the frigid waters and many more witnesses to one of the most shattering events of our century Illustrated with historical photographs The Titanic Disaster Hearings is a vital piece of the puzzle that has sparked worldwide fascination **Sinking of the "Titanic," Most Appalling Ocean Horror** Jay Henry Mowbray, 1912 **"Titanic" Disaster** United States. Congress. Senate. Committee on Commerce, 1912 **The Sinking of the Titanic** Jay Henry Mowbray, 2022-11-22 I ran out on the deck and then I could see ice It was a veritable sea of ice and the boat was rocking over it I should say that parts of the iceberg were eighty feet high but it had been broken into sections probably by our ship There fell on the ear the most appalling noise that ever human ear listened to the cries of hundreds of our fellow beings struggling in the icy cold water crying for help with a cry that we knew could not be answered First published in 1912 Jay Henry Mowbray's Sinking of the Titanic was hugely influential in the aftermath of the maritime disaster recording the harrowing first hand accounts of the survivors from sailors to stewards to passengers throughout the ordeal from when the iceberg first hit to when the Carpathia eventually arrived and honoring those who were lost on that fateful night in 1912 Mowbray's text even follows the survivors when they make it back to land a lesser known riveting aspect of the tragic saga that deals with the investigation and the hearings that took place in the US and UK in the months that followed The swiftness of the publication of Mowbray's text the sheer number of first hand witness accounts therein and the intensity of the chaos and fear that their accounts convey makes for a unique compilation which together with new notes maps images and expert introductory material in this new updated edition will fascinate educate and deeply move contemporary readers as much today as the original publication would have back in 1912 *Tales of Darkness* Tracy Revels, 2024-07-30 Sherlock Holmes is no stranger to humanity's most fiendish crimes In fourteen classic stories Holmes and Dr Watson confront exceptionally challenging and notoriously vicious cases Can guilt be used as a murder weapon When does beauty become a deadly lure Are even the most seemingly innocent members of society capable of killing in cold blood Cloaked in terror and tragedy dangerous and often bloody these are adventures which plunge Holmes and Watson into the realm of nightmares Punch Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1877 **The Titanic** Wyn Craig Wade, 2012-03-21 In this centennial edition of the definitive book on the Titanic new findings photos and interviews shed light on the world's most famous marine disaster for the 100th anniversary of the Titanic's sinking On that fatal night in 1912 the world's largest moving object disappeared beneath the waters of the North Atlantic in less than three hours Why was the ship sailing through waters well known to be a mass of floating ice Why were there too few lifeboats Why were a third of the survivors crew members Based on the sensational evidence of the U S Senate hearings eyewitness accounts and the results of the 1985 Woods Hole expedition that photographed the ship this electrifying account vividly recreates the vessel's last desperate hours afloat and fully addresses the questions that have continued to haunt the tragedy of the Titanic **Malecite Tales** W. H. Mechling, 1914 *Once a Week* Eneas Sweetland Dallas, 1877 *Anthropological Series*, 1914
