Where The Sky Remembers Us Mohan R,2025-03-10 This is not just a love story it is a tale that will hold your heart and refuse to let go A collision of two souls never meant to meet A boy from Shillong an exceptionally brilliant corporate strategist and self made millionaire a man who has built his empire on a foundation of discipline ambition and control A girl from Dehradun bold free spirited a travel influencer who lives life on her own terms chasing dreams embracing the present and never backing down They were never supposed to cross paths Yet fate throws them together in the bustling heart of Mumbai where their worlds collide shatter and ignite in ways neither could have foreseen From furious debates to stolen looks From passionate events to moving battles From embracing the present to daydreaming about the past From unquestionable attraction to the kind of love consuming you Still love is never enough Not when family ambition and previous hurts seem ready to tear them apart Love can build Love can break But sometimes love must bleed Just when they believe they have fought for their happily ever after one choice changed everything A sacrifice too great A twist too cruel A moment that leaves them questioning Was their love powerful enough to defy destiny itself Or were they simply two souls colliding only to be torn apart
