

A dark, sleek luxury car is shown at night, parked in front of a modern building with large windows. The car's headlights and grille are visible. Overlaid on the car and the building is the text "Bulletproof Your Future." in a glowing, white, serif font. The text is arranged in two lines: "Bulletproof Your" on the top line and "Future." on the bottom line.

Bruce A. Lefavi

Bulletproof Financial Future:

Bulletproof Financial Future Bruce Lefavi, 1994-02 This indispensable guide states Lefavi's simple strategy which has proven 100 percent effective over his 18 years as a financial consultant. A blueprint for preparing for all economic catastrophes and for making the best long term investments. *Houston Business Journal* *The World Scientific Handbook Of Futures Markets* Anastasios G Malliaris, William T Ziemba, 2015-08-06 The World Scientific Handbook of Futures Markets serves as a definitive source for comprehensive and accessible information in futures markets. The emphasis is on the unique characteristics of futures markets that make them worthy of a special volume. In our judgment futures markets are currently undergoing remarkable changes as trading is shifting from open outcry to electronic and as the traditional functions of hedging and speculation are extended to include futures as an alternative investment vehicle in traditional portfolios. The unique feature of this volume is the selection of five classic papers that lay the foundations of the futures markets and the invitation to the leading academics who do work in the area to write critical surveys in a dozen important topics.

Bulletproof Retirement Bruce A. Lefavi, 2008 *Bulletproof Retirement* applies investment strategies and philosophies exclusively toward planning your retirement.
