Double Take Politically Incorrect Limericks:

Double Take R. Jagger, 2002-11-01 From major pop figures to politicians from baseball and sports to religions and God this book covers them all in the irreverent poetic form of limericks Here s the best summary of Double Take taken from its back cover An amazing twist on an old art form That s guaranteed to cause a firestorm Had Shakespeare been this bold His head would have rolled For such disdainful treatment of the norm This book is a collection of unique perspectives questions and yes insults on some of the foremost cultural icons and institutions in our society all done with a humorous flair Few companies would have published this book but we decided that the author s First Amendment right allows him to speak his mind and to add his voice to the public discourse This book is no different from a rocker or rapper railing against or questioning the system
