home to describe an evening of conversation and entertainment at the house of an Athenian plutocrat Far from being simply a lighthearted affair the conversation probes timeless questions regarding wisdom love and female capacity and over it looms the deadly serious matter of Socrates trial and death Both works are rich sources for Athenian social history of the Classical period Oeconomicus in particular offers insights on the role and status of women in Ancient Athens Xenophon doesn't however passively reflect the social realities he saw around him or supply snapshots of historical actuality *Goethe* Paul Carus,1915
