Dancing Prophets:

Dancing Prophets Steven M. Friedson,1996-08 For the Tumbuka people of Malawi traditional medical practices are saturated with music Steven M Friedson explores a health care system populated by dancing prophets singing patients and drummed spirits Dancing Prophets Steven M. Friedson,1996-09 For the Tumbuka people of Malawi traditional medical practices are saturated with music Steven M Friedson explores a health care system populated by dancing prophets singing patients and drummed spirits The Book of the Twelve Prophets George Adam Smith,1896 Encountering God Through Dance Saara Taina,2012-05-15 Release the Kingdom through Dance You can experience God s presence and healing power through dance Encountering God Through Dance equips believers to worship Jesus in wholehearted devotion to express love without fear or shame What people are saying Encountering God Through Dance is the wonderful journey of a radical lover of God and a manual for instruction and inspiration Bill Johnson Senior Pastor Bethel Church This is by far the most refreshing book I have read in a long time Saara Taina has given her life to a core area of life that is far too marginalized in many churches Marc A Dupont Mantle of Praise Ministries Inc Rarely do you see a book that offers passion testimonies and biblical expertise so that others can be fully equipped Theresa Dedmon Director of Prophetic Arts Bethel Church We have personally experienced the breakthrough power of the dance many many times in Succat Hallel our 24 7 worship room that overlooks Mount Zion in Jerusalem Rick and Patti Ridings Succat Hallel The author s personal journey of devotion through dance has taken her worldwide She wraps her exciting travels with a solid biblical framework for the importance of dance in the Kingdom of God on earth today *Prophet, Arise* John Eckhardt,2015 Offers teachings intended to inspire readers to accept God s calling and engage in prophecy on His behalf **The Healer-Prophet in Afro-Christian Churches** Gerhardus C. Oosthuizen,2016-05-18 Apart from the mainline Pentecostal and Zionist churches there are different types of African Independent Indigenous Churches AIC The greater part of the more than four thousand denominations and eight million adherents came into the AIC during the past three decades mainly from the traditional African religious background The important role of the diviner in the traditional society has been replaced by the prophet in the AIC the prophet understands the worldview of his her people especially the cultural diseases In some churches the office of prophet cum diviner is represented by one person The AIC movement is the most dynamic church movement in many parts of Africa especially Southern Africa The consistent growth of these churches can largely be accounted for by the healing procedures they use which ar highlighted in this study Dr Oosthuizen approaches healing from various angles as sickness is not only determined by physical and psychological factors but also by disturbed human relationships and socio political and economic tensions *The Prophet Dance of the Northwest and Its Derivatives: the Source of the Ghost Dance* Leslie Spier,1935 Prophecy and Power Among the Dogrib Indians June Helm,1994-01-01 The Dogrib Indians are one of the Dene people of Western Canadian Subarctic they speak a language belonging to the widespread Athapaskan family whose southern relatives include

the Navajos and Apaches of the southwestern United States This study draws on the author's field studies from 1959 to 1974 to present an ethnographic description of Dogrib religion The first part of the book introduces three prophets who came to prominence in the 1960s and 1970s Though they developed from the same tradition and had the same aims their prophetic styles contrasted dramatically with one another Helm situates the prophetic movement in relation to tribal and Christian traditions and shows the determining importance of the prophets' personalities in shaping their teachings The second part of the book examines the traditional Dogrib concept of power in relation to information given over the course of the years by Vital Thomas a religious leader who collaborated closely with Helm This firsthand material told in Thomas's own words is noteworthy for its personal perspective and for the understanding it provides of the differing sources and uses of power This concept of power is so pervasive in daily life that it forms the key for understanding the dynamics of Dogrib culture The book concludes with a brief autobiography related by Vital Thomas Prophecy and Power among the Dogrib Indians is important for documenting the prophet movement among the Dene people in the late twentieth century and for situating it historically in the context of Dogrib traditional culture

Medicine, mobility and the empire Markku

Hokkanen,2017-11-02 David Livingstone s Zambesi expedition marked the beginning of an ongoing series of medical exchanges between the British and Malawians This book explores these entangled histories by placing medicine in the frameworks of mobilities and networks that extended across Southern Africa and beyond It provides a new approach to the study of medicine and empire Drawing on a range of written and oral sources the book argues that mobility was a crucial aspect of intertwined medical cultures that shared a search for therapy in changing conditions Mobile individuals ideas and materials played key roles in medical networks that involved both professionals and laypeople These networks connected colonial medicine with Protestant Christianity and migrant labour The book will be of value to scholars and students of history and anthropology of colonialism and medicine as well as a wider readership interested in the plural search for health in Africa and globally
