**Strangers, Migrants, Exiles** Frauke Reitemeier,2012 *The Hotwife's Irresistible Sin* Natalia Rosewood,2025-11-23 What if the man who knew your deepest desires wasn't your husband Olivia's life appears perfect married to a devoted man wrapped in comfort and routine But beneath the polished surface lies a hunger she's never dared to name Until he looks at her Ethan is forbidden Off limits And completely irresistible One glance ignites a spark One touch shatters her resolve One night unravels everything In a whirlwind of stolen moments whispered sins and impossible choices Olivia steps into a world of dark pleasure and dangerous longing As the line between love and lust blurs she's forced to confront a devastating truth Some temptations don't fade They consume Dare to enter a story of raw desire obsession and a passion that refuses to be tamed The Hotwife's Irresistible Sin is a pulse pounding journey where the thrill of betrayal tastes sweeter than innocence and nothing is ever truly off limits

*The Tragedy of Almightyness* Sybe Schaap,2016-01-06 The Tragedy of Almightyness encircles the theme of human yearning for omnipotence as expressed in religion and various ideologies The central question revolves around the matter of what in pursuing such an extreme power of the will man seeks to achieve While exploring the question a thought provoking link is made between religion and atheism between the Biblical longing for God's promise and the Marxist appeal for man to realize that same promise Omnipotence must vouch for the fulfilling of the promise for justice and for man's dream of redemption However that is not where it ends The longing for salvation turns out to have a dangerous reverse side to it because it encourages a turning away from the actual world and the all pervading evil Omnipotence also facilitates the avenging of such evil History has shown what this kind of yearning can lead to The book demonstrates how modernity translates Biblical longings into ideologically justified revengefulness The description of this process leads to a plea for renewed ethical purpose in life It is a challenge that also

extends to religion Hence the reason that it is necessary to depart from the idea of omnipotence Deepest Springs NMM Duman,2011-02-14 The story centres around Dikeledi a young girl in the independent homeland of Transkei one of the Bantustans of the former apartheid era in South Africa The Sotho tribe is in the minority in this area and culture still plays a very big role in the villages Education is not a priority for most of the people there so when Dikeledi meets and falls in love with a youth in high school she is confused by his ambitions to study further and go to university They marry despite the fact that her husband's mother hates her mainly due to the fact that Dikeledi is not traditionally considered beautiful comes from a poor home and her family is not known in the village neither is she a relative Apartheid laws ensure that even when Dikeledi's husband wants to take her with him to Johannesburg without valid documents it is near impossible for her to live with him and she has to endure her mother in laws abuse
