Ernest William Hornung, 1902 *Profanity, Obscenity and the Media* Melvin J. Lasky, 2014-10-15 This is the second volume of Melvin J Lasky's The Language of Journalism series praised as a brilliant and original study in communications and contemporary language and as a joy to read When it was first published it broke ground in focusing on the comparative styles and prejudices of mainstream American and British newspapers and in its trenchant analysis of their systematic debasement of language in the face of obligatory platitudes and compulsory euphemisms Lasky documents the growing crisis affecting honest thoughtful and independent journalism in the Western world He extends the scope of his first volume in the trilogy and deepens the interpretation He also adds a personal touch of wit and anecdote as one might expect from an experienced international journalist and historian Lasky's examination of the use of formerly forbidden language is a triumph of sinuous semantics In his incisive analysis we see the tortuous struggle of a once Puritanized literary culture writhing to break free of censorship and self censorship This volume on the phenomenon of profanity adds another dimension to Lasky's thesis on mass culture's trivialization of real social and political phenomena It also underscores our society's embrace of banality in standardizing politically correct jargon and slang Readers of the first volume will find here a new range of references to illuminate the detail of what our newspapers have been publishing

Tippecanoe County and the 1913 Flood Pete Bill, 2021-04-12 Heralding the coming spring the weather forecast promised a warm and sunny Easter in 1913 Little did the citizens of Tippecanoe County realize that a furious deluge would cause the Wabash River to swell to an ungovernable and lethal height Bridges collapsed whole buildings came unmoored from their foundations and washed away and heroic rescue
