A Look Inside:

A Look Inside Alzheimer's Marjorie N. Allen, Susan Dublin, Patricia J. Kimmerly, 2012-09-18 A Look Inside Alzheimer's is a captivating read for friends, families, and loved ones affected by this mind-robbing disease. Individuals with early-stage Alzheimer's disease will take comfort in the voice of a fellow traveler experiencing similar challenges, frustrations, and triumphs. Family and professional caregivers will be enlightened by this book and gain a better understanding of this unfathomable world and how best to care for someone living in it. Susan and PJ share their accounts of their own transformation and deterioration with early-onset Alzheimer's Disease, and Marjorie shares her perspective as the wife of a person living with Alzheimer's Disease. The book addresses the complexity and emotions surrounding issues such as the loss of independence, unwanted personality shifts, struggle to communicate, and more. The three life stories intertwined along with boxed quotes from professionals in the field make this book special.

A Look in the Mirror Terrence LeRoy Baker, 2014-08-27 Life was rough for Cassandra. She grew up in an abandoned building with a drug-addict mother. She never went to school, and before she knew it, she was turning tricks, which landed her in the Juvenile Justice Center until her eighteenth birthday. As soon as she gets out, she considers her options. Kassie has no education and no job prospects that is until she meets Papa Bear. Just like that, Kassie has her first pimp and gets to leave behind a life she hated from the start. With Papa in control, Kassie has the chance to travel and turn tricks for the big bucks, but Papa is cold-hearted and cruel. She finds her ally in a woman the other girls call Mama Bear. Kassie could continue down her dangerous path. She could reach the number one spot in the street game and push the other girls out of the way. She could chalk it up to loyalty to Papa and leave her family behind for good, including her only child. Or Kassie could take to the streets with nothing but the clothes on her back and find a way to live a life free from the cold control of heartless men.
