Dig Me Up:

Akan-Ashanti Folk-tales Robert Sutherland Rattray,1930 **Pick-me-up** ,1895 West African Folktales Richard Spears,1991-10-01 These 123 tales reflect the rich oral tradition of West African folklore Playful and sly they teem with talking animals and shape shifting tricksters with pacts and promises made and broken and with impossible deeds done through chicanery and magic These tales deal with themes common throughout West Africa and the world Indeed American readers will recognize such characters as Brer Rabbit and the tar baby which had their roots in the folklore of this region Because there is no overlay of Western values however some of the morals may surprise the unsuspecting reader murder and polygamy cannibalism and cunning witchcraft and revenge spin matter of factly throughout the stories **Erotica** Walter Keating Kelly,1878 The Locket Sandra Mc Cuaig,2018-10-06 The book is about a preacher who because of losing so many things in his life and now being forcibly retired goes crazy and delusional He starts to rob graves seeks revenge on his enemies cannibalizes some of his dead congregation and does other terrible things This book has many things going on that I think readers will enjoy so sit back and read this unforgettable book **Hobbity Bobbity** A.S.F,2015-03-25 Hobbity Bobbity and the Red Bush Forest is the story of an incredible journey into a cursed forest where no Bobbity ever dared to go Who is Hobbity Bobbity Hes a not so average teenage boy destined to become larger than life Traveling between the past and the future Hobbity meets several characters along the way who help him unlock the secrets of the Red Bush Forest and stop an evil enchantress from stealing all light from every planet in the galaxy Packed with fun laughs and adventures Hobbity Bobbity and the Red Bush Forest is sure to be a favorite book for all ages Sweden Victor Alfred Nilsson,1899

Thoughts of Veterans in a Hospital K.T. Toshambe,2015-12-04 My name is not important at this time but I am the author of this series of vignettes about the thoughts of veterans who are patients in VA hospitals some are recovering from injuries incurred in current conflicts or wars of the past They lie in their beds with nothing to do day in and day out but think about yesterday and the things that happened Happenings they want to forget and there are the things that they long to remember The homes that they once had their loved ones the house across street that they once lived in the block the street and the little corner news stand and the people that you meet thats America There are those who lived in the country and there are those city fellows that is the ones who claimed they knew everything but did nothing but talked about the dreams they had that were as tall as the skyscrapers that reached to the heavens some seem to be a mile tall *Evil Deception* Bruce S. Poteat,2013-05 Unexpectedly Alexander who is only a young boy finds himself attending his first Passover and witnessing the crucifixion of Jesus In a strange twist of events he uncovers Satan s plan to deceive the church and the world As the only person on earth who knows of Satan s scheme he falls under the protection of the powerful archangel Michael In for the journey and adventure of his life he travels to the twenty first century to warn the world Evil Deception takes you into the depths of Satan s schemes throughout history specifically his lies and deceptions that will usher in the end times Though

Satan has worked nonstop to kill the promised seed of God since the fall of man into sin his plan took a sinister turn on the day of the crucifixion which set the stage for the destruction of the church and the rise of the Antichrist The Dark Angel H.
