## Easy Living In France:

Easy Living in France John Harris, 1982      **Americanism, Media and the Politics of Culture in 1930s France** David A. Pettersen, 2016-05-20 First book to focus on Americanism and its consideration of French film and literature The book is organized around individual figures texts and films making it easy to adopt for individual units in courses The book is written in clear accessible and jargon free language The book brings a new and innovative transatlantic perspective to 1930s French culture The books offers new perspectives on important figures that we thought we knew well The book mixes cultural history with the analysis of individual films and novels in a way that is engaging to read      **Summers in France** Kathryn M. Ireland, 2010-06 Excursions to flea markets and antiques shops and snapshots of outdoor activities punctuate this luscious book of French country living which includes home design and ideas plus favorite recipes for Mediterranean inspired lunches and convivial candlelit dinners      **Sacrifice and Self-interest in Seventeenth-Century France** Thomas M. Lennon, 2019-07-01 How much of our own self interest should we be willing to sacrifice for love of another The Quietists answered all of it even the salvation of our own soul Opposing them were the Jansenists including Arnauld who saw self interest as inescapable The debate swept across French society in the 17th century with Bossuet and Fnelon on opposite sides and was multi dimensional with political and ecclesiastical intrigue charges of heresy and many shenanigans Initially theological the debate s basis lay in differing philosophical concepts of freewill with both sides claiming support from Descartes s views The debate thus highlights interpretation of the Cartesians especially Malebranche a prominent participant in it Nevertheless this is the first book on the debate in English      *In France with the Germans* Otto von Corvin, 1872

**The Story of France from Julius Caesar to Napoleon III** Paul Van Dyke, 1928      *Notes of a Traveller on the Social and Political State of France, Prussia, Switzerland, Italy and Other Parts of Europe During the Present Century* Samuel Laing, 1842      The White Flame of France Maude Radford Warren, 1918      The Sense of Decadence in Nineteenth-Century France Koenraad W. Swart, 2013-11-11 It was the best of times It was the worst of times The famous opening sentence of Charles Dickens Tale of Two Cities can serve as a motto to characterize the mixture of optimism and pessimism with which a large number of nineteenth century intellectuals viewed the condition of their age It is nowadays hardly necessary to accentuate the optimistic elements in the nineteenth century view of history many recent historians have sharply contrasted the complacency and the great expectations of the past century with the fears and anxieties rampant in our own age It is often too readily assumed that a hundred years ago all leading thinkers as well as the educated public were addicted to the cult of progress and ignored or minimized those trends of their times that paved the way for the catastrophes of the twentieth century In the nineteenth century the intoxicating triumphs of modern science undeniably induced the general public to believe that progress was not an accident but a necessity and that evil and immorality would gradually disappear Yet fears misgivings and anxieties were not as exceptional in the nineteenth century as is often imagined Such feelings were

not restricted to a few dissenting philosophers and poets like Schopenhauer Kierkegaard Dostoevsky Baudelaire and Nietzsche    *The Outline of Man's Knowledge* Clement Wood,1927    **The Rise and Fall of New France** George McKinnon Wrong,1928    **France Actuelle** ,1969    **France and Algeria** Vincent Confer,1966    Harper's Bazaar ,1916  
Ronsard and the Hellenic Renaissance in France: Ronsard and the Greek epic Isidore Silver,1961    Snap Shots ,1913  
**A New Road for France** Jacques Soustelle,1965    Iréland's Renaissance Robert John Smith,1903    *Rand, McNally & Co.'s A Week at the Fair* ,1893    **A Week at the Fair** Rand McNally and Company,1893
